This report includes the Southeast Kentucky SkyWarn Net which meets Sundays at 2000 ET on ARES District 11 Linked System serving Jackson and the surrounding counties of District 11. (See December 2017 ADEC report, item E (1) for details) For the month of January, the following updates are provided: A. Membership: Currently have four members with recruitment efforts continuing. B. Served Agencies: Jackson County EMA/CSEPP, McKee, KY and National Weather Service Forecast Office, Jackson, KY (NWSFO-JKL) C. Communication Emergency: Acted as SKYWARN NCS for a Severe Weather Event (Winter Storm Warning) on January 16, 2018 (For details, see PSAR sent January 16, 2018) D. Public Service Event(s): None E. Training/Exercise: 1. Southeast Kentucky Skywarn Weather Net held Sundays at 8:00 PM ET. 2. District 11 ARES Net held Thursdays at 7:15 PM ET. 3. Participated in a District-wide VHF Simplex Exercise on January 27, 2018 (For details, see PSAR sent January 30, 2018.)	8	151.39 Y

Added a new member to Knox County ARES, Randall Goguen (KM4PNO). KM4VHI served as net control for the District 11 ARES net on Thursday evenings twice this month and took on a part of one night's net when the linked repeater system lost connection. Knox County ARES members participated in a simplex exercise on January 27 to test simplex communication in our area. All three members were able to make simplex contacts easily on 2m and 70cm. Two (KM4VHI and KM4VHJ) who have HF capabilities tested 80, 40, and 20m bands and were able to make contact on those bands. Two Knox County ARES members (KM4VHI and KM4VHJ) participated in the Winter Field Day for practice in long-distance HF communication.	4	8.75
