

# Arizona Section Newsletter September 2019

## Arizona Section Manager, Rick Paquette W7RAP

Fall is right around the corner and Amateur Radio activities appear everywhere on the calendar. Our ARRL-AZ ARRL team is visiting the Duke City ARRL Division Convention next week to help train their DXCC checkers, and to make presentations. We also will be meeting with their convention committee to get advice on how they manage their very successful event each year, as we continue to learn how to expand our Conventions and Hamfests here in Arizona.

### **Working Committee for the ARRL Arizona Amateur Radio Emergency Services Convention**

In response to the recent visitation to the Coconino EOC by Governor Doug Ducey as well as other excellent media coverage of their successes in emergency events recently, the opportunity presents itself that a venue exists for an ARRL Amateur Radio Emergency Services Convention. The event would showcase activities, hardware, and capabilities being used and shared here in Arizona. In conjunction with the event, we have the opportunity to conduct a Hamfest there that would re-create the summertime fun and activities we shared so many times at Ft. Tuthill. ARRL Section Managers, and club leaders have investigated this possibility for the past two years. Late in August 2019, we held a meeting with leaders of the Coconino ARC and the Northern Arizona DX Assn and discussed alternatives and venues that might be pursued. Trips were made to locations and talks held with the Activities Management of Ft. Tuthill in Flagstaff and a tour of the facilities has been made. The location has been beautifully renovated and most all of the facilities are in excellent shape to accommodate us.

We will continue to develop the concept and have as a goal, to formalize the opportunity as a State Convention, or perhaps a Division Convention during July or August of 2020. Teams are being formed and budget goals established and monthly meetings are in progress. If you are interested, please contact ARRL-AZ and share your ideas and willingness to help.

### **YUMA 2020 Hamfest and Southwestern Division Convention News**

The Yuma Amateur Radio Hamfest Organization committee, led by Jeff Weeks (W7JLW) had been working for some time to have the date of the Yuma Hamfest / Southwestern Division Convention changed to one week later, to avoid conflicts with the ARRL Worldwide CW Contest as well as the Orlando Hamfest, which draws a large number of vendors and Hams. Unfortunately, the Yuma Fairgrounds Committee could not accommodate all the changes and the YARHO has decided to revert to the original schedule of 14 and 15 February, for the 2020 Convention.

--- --

**ARRL - Arizona Section web site:** [www.az-arrl.org](http://www.az-arrl.org)

**Follow us on Facebook: ARRL - Arizona Section:** [www.facebook.com/ArrlArizona](https://www.facebook.com/ArrlArizona)

Jeff and his team have been very successful in conducting the event, and we plan on even better activities and another special weekend to all who come.

### **Arizona QSO Party Coming:**

The weekend of October 12/13 will again present the Arizona QSO Party for all to participate. The QSO Party Committee, led by Bill Smith is offering 36 different Awards in a variety of categories. This is an exciting event where you get to compete against your own AZ friends, and get to know many more. Each year this event becomes more popular. Across America and around the world, we have become a popular go-to state for contacts. Go to <https://www.azqsoparty.org/> And download the rules, categories, and schedule.

### **Section Emergency Coordinator, Dennis Bietry KE7EJF**

September is National Preparedness Month. Now is the time to review your family's preparedness. A great place to get information is the preparedness campaign at [www.azein.gov](http://www.azein.gov) They will have weekly subjects; Plan, Prepare – Build A Kit, Inquire – Be Informed and Inspire Others. Another place for information is [www.ready.gov](http://www.ready.gov). Use these sources and make sure your families are prepared. If they aren't taken care of, you can't be a good communicator worrying about your family.

As I write this, many people on the East Coast are being required to test their preparedness as Hurricane Dorian bears down on them. Think of this while reviewing your own preparedness.

Dennis Bietry – KE7EJF/Section Emergency Coordinator / [ke7ejf@arrl.net](mailto:ke7ejf@arrl.net)

### **Youth and Scouting, Tom Fagan K7DF**

No Report

### **Affiliated Club Coordinator, Mike Boger W7IJ**

An application has been approved for the newly-formed Chandler Ham Radio Club, with Gary Laatsch (KI7PBR) as president and 24 members. If you are interested contact the club at [President@chandlerhams.org](mailto:President@chandlerhams.org) . This is our fourth new club this year, and we continue to grow to accommodate our expanding Amateur population.

### **Technical Coordinator, Carl Foster KB7AZ**

We have been working a number of issues with Hams in Arizona on a rash of RFI-related incidents. This brings up the need to review the resources available to all of us when we face the issue of Radio Frequency Interference:

The ARRL's (W1RFI) book and articles are excellent resources. Published in 1999 but still timely.

[https://www.amazon.com/Handbook-Practical-Cures-Frequency-Interference/dp/0872596834/ref=sr\\_1\\_1?keywords=arrl+rfi+book+ed+hare&qid=1565883643&s=books&sr=1-1](https://www.amazon.com/Handbook-Practical-Cures-Frequency-Interference/dp/0872596834/ref=sr_1_1?keywords=arrl+rfi+book+ed+hare&qid=1565883643&s=books&sr=1-1)

Mike Gruber's (W1MG) more recent book (2015.) Mike works with Ed Hare at the ARRL

[https://www.amazon.com/ARRL-RFI-Book-Softcover/dp/0872590917/ref=sr\\_1\\_1?keywords=arrl+rfi+book&qid=1565883484&s=books&sr=1-1](https://www.amazon.com/ARRL-RFI-Book-Softcover/dp/0872590917/ref=sr_1_1?keywords=arrl+rfi+book&qid=1565883484&s=books&sr=1-1)

**Follow us on Facebook: ARRL - Arizona Section:** [www.facebook.com/ArrlArizona](http://www.facebook.com/ArrlArizona)

<http://www.arrl.org/shop/The-ARRL-RFI-Book-3rd-Edition/>

Also Mike's article on with mode power supplies, which have an an increasing EMI problem for many years. Worth checking out this potential source.

<http://www.arrl.org/news/switching-power-supplies-a-more-common-noise-source-than-power-lines-arrl-lab-manager-says>

The late Marv Loftness's (KB7KK) book is focused entirely on power line interference, and is often used by power company RF investigators. At one time, SRP had an RF investigator on staff.

<https://www.amazon.com/Power-Interference-Handbook-Marv-Loftness/dp/0965376036>

### **New Hams and License Upgrades For September**

It was another Banner month for New and Upgrading Amateurs here in Arizona.

67 New Hams AGAIN THIS MONTH!

Particular congratulations go to all the VE Teams and Instructor Teams that keep us at the top of the list in Amateur Growth. Keep it up!!!! You are doing GREAT !!!

**Upcoming Hamfests and Events**

**HAM SWAPFEST** October 5th 9:00-12:00 Rumsey Park Ramada #4

The TARA 2019 Swapfest will be held Saturday, October 5th at Ramada #4, Rumsey Park, Payson. It will start at 09:00 and run till 12:00. We have reserved the Ramada until 5:00 so join us for a potluck/BBQ following the Swapfest, (bring your own meat and something to share). There will be a hot grill to cook on and condiments provided. To help cover expenses we are charging \$5 for tailgaters or \$5 per table for vendors. There is no entrance fee. This is a place to buy, sell, and swap amateur radio, electronic and computer equipment. Hams and non-hams alike are welcome. To pre-register or for additional information call or e-mail: Bruce Johnson, N7DDT 928-474-4154 [stretch8@q.com](mailto:stretch8@q.com)

**THE 11<sup>TH</sup> RUNNING OF THE ARIZONA QSO PARTY, October 12 & 13, 2019.**

Check the Arizona QSO Party website [www.azqsoparty.org](http://www.azqsoparty.org) for up-to-date information on awards, activated counties, multiplier abbreviations, resources, logs received, results and more. Plaques will be presented to all category winners. The Arizona Prickly Pear Cactus Jelly awards will be presented to the top New Contesters. entrants. The Bonus Station this year is W7A. Results will be published shortly after the logs due date of October 23. Join the party, make some contacts, and have ham radio fun in the AZQP!
