

Ethics and Elections Committee Report

The American Radio Relay League Report of the Ethics and Elections Committee 2009 Second Meeting

The Committee has had a relatively busy first half of 2009. Most of our time was spent reviewing numerous SM election complaints from one section, issued by the incumbent SM. The complaints were directed at ARRL staff and the opposing candidate. The ARRL Ethics and Elections Committee found no violation of the Rules and Regulations concerning ARRL elections by ARRL staff or the opposing candidate.

The Committee reviewed and found two Vice-Director candidate statements in order. ARRL Southeastern Division Vice-Director, Jeff Beals, WA4AW and ARRL Pacific Division Vice-Director, Jim Tiemstra, K6JAT were subsequently appointed to complete their predecessors remaining term by ARRL President Joel Harrison, W5ZN.

The Committee is in the process of reviewing Ethics and Elections updates to the ARRL By-laws.

Respectfully submitted,
Director Greg Sarratt, W4OZK Chair
Director Jay Bellows, K0QB
Director Brian Mileschosky, N5ZGT
