Tom Gallagher, NY2RF — tgallagher@arri.org
ARRL Chief Executive Officer

“ To our volunteers, members, patrons, served agencies, Board of Directors, and staff; to the local amateurs, governmental agencies, NGOs, regulators, and national media outlets — to all of you who made the Puerto Rico-Caribbean recovery efforts possible in October — with immeasurable gratitude, we congratulate you. The response effort is not ARRL’s story; it’s your story, and it’s about what all of you have done.

Thank you. ”
